SUSLA STUDENT USERNAMES COMPUTER ACCESS EMAIL BLACKBOARD & BANNER ACCOUNTS

Student Usernames and Password

Your SUSLA Username is USUALLY your first initial, last name, and the last four digits of your Social Security Number- no spaces, no dashes, or other punctuation. The creation of your Username is based on the way your name is spelled in Banner. Accounts for new students are created upon completion of the payment process at the beginning of each semester. Normally your initial password is your Social Security Number- no dashes or spaces.

Computer Labs and Computer Access

SUSLA Students have access to over 250 computers in more than a dozen Computer Labs at the Martin Luther King Drive location, the Metro Center, and the Aerospace Technology Center. UserNames and passwords are required to log on to the computers. To log on to a computer in one of the labs, type your UserName and password in the specified boxes. Type "SUSLA" in the third box titled Log on to." It is VERY IMPORTANT that you log off your account when you leave the computer. Your computer access account is allowed a *limited* amount of printing each semester. It is YOUR RESPONSIBILITY that no one else has access to your account or password.

Rules regarding SUSLA computer lab usage can be found at: www.susla.edu/labs.

SUSLA Student Email

Your SUSLA Student Email account gives you access to Southern University at Shreveport 's email system through the internet.

To access your mailbox, click the "Campus Email" link on the main SUSLA web page (www.susla.edu) or from the Information Technology pulldown menu on any page. If a dialog box with two windows come up, enter your full SUSLA email address (UserName@susla.edu) in the User box and enter your password in the Password box. Click "OK" to access your Mailbox. If a dialog box with *three* windows comes up, enter your UserName in the User box and enter your password in the Password box, then enter "SUSLA" in the Domain box. Click "OK" to access your Mailbox.

More information can be found at: www.susla.edu/email
