25	26	27	28	29	30	
		MOODLE Part 1 1:00pm 3:00pm Room 106	MOODLE Part 2 1:00pm 3:00pm Room 106	MOODLE Part 2 2:00pm 4:00pm Room 105		

Part 1 - Introduction

The purpose of Part 1 is to provide an overview of teaching and learning with Moodle. The topics include Basic Course Administration Tools, Student Activity Tracking, and Course Backup & Restore.

Part 2 - Communication Tools

The goal of Part 2 is to give teachers insight into discussion forums, blogs, and other communication tools provided by Moodle. These topics include forums, student groups, course workshops, wikis, and student feedback surveys.

Part 3 - Assignments, Evaluation, & Grading

Instructors will learn about Moodle's various methods of evaluation. Topics will include methods for creating assignments, interactive assignments and offline submissions, making tests and quizzes and importing/exporting grades to the Moodle grade book.
